MILLION LIGHTING LAUNCHES NEW LIFESTYLE CORNER - "LA MAISON DE MILLION"

Singapore, 30 March 2023 - Pioneer of the lighting industry in Singapore, Million Lighting has launched a new lifestyle corner - a showroom named "La Maison de Million" (The House of Million).

La Maison de Million houses a curated selection of homeware brands from Europe, such as An&Angel, Anna Torfs, Amarcords Iviaggieliolo, Archorn, Crizu, Fuoriluogo, Guaxs, Ladenac, La Boite Concept, Paola Paronetto and Pols Potten.

"Maison" is a French term that means "House". La Maison de Million presents a collection of handcrafted objects that is produced in small quantities, with a number of unique, one-off creations.

In addition to Million Lighting's collection of lighting and electrical products, La Maison de Million focuses on home and styling products to complement Million Lighting's product lines in decorative lighting. Artisanal and exclusively designed objects ranging from wall decoration to vases, candles and furniture are available at the showroom to create a complete living home environment.

La Maison de Million will serve as a space to inspire the public and the design community.

For more information on La Maison de Million's collection, please visit our website: www.millionlighting.com & Instagram: @millionlighting
